

Hi, my name is Casper And Baloo

Looking for love

Male Domestic Short Hair Cat

Baloo is bursting with energy! ☺ He loves chasing toys, playtime is his absolute most favourite part of the day. He is easily picked up and happy once he's up. Thanks to the loving work of our foster carers he is now quite relaxed around humans and will sleep on the bed. However, like many rescues, sudden movements do scare him. Casper our friendly ghost ☺ is high energy like Baloo, however saves most of it for his kitten and cat friends. He is more timid of the two, possibly due to pasta trauma, but still does love to play. He prefers to take a backseat and can hide at times, but once he is warm he comes out and gets comfortable.
