

Hi, my name is Penny

Shy but sweet!

Female Domestic Short Hair Cat

Little miss Penny is quite a shy kitty who unfortunately never had the best start to life along with her siblings, Sadie and Charlie. After she becomes comfortable with you and her new surroundings she will allow you to come forth and give her pats and even hold her in your arms. This precious soul needs someone who won't give up on her and is willing to be there by her side every step of the way whilst giving her all the love and affection she deserves. Soon enough she'll become your best friend and will make a lovely companion! If you're after a sweet and friendly feline, take a chance on Penny, she told us you won't regret it. Penny is currently searching for her forever home, will you be her special human?
