

Hi, my name is Leo

Looking for love

Male Domestic Short Hair Cat

Leo, a very chatty and affectionate boy who was surrendered to us at no fault of his own, Leo's other cat housemate was not a fan of having another cat in the house and wanted to rule the house by herself so his owners thought it was only fair that Leo would be surrendered and find a home that is suitable. Leo loves people and will talk to you all day long, he loves to play and is quite an active boy. Leo is great with other cats and dogs, and would be better suited to a house with older kids as he does get spooked with young children. He is Desexed, Vaccinated and Microchipped.
