

Hi, my name is Smokey

Smoochiest cat ever

Female Domestic Short Hair Cat

Don't be fooled by Smokey's looks, she doesn't look it but she is 15 years old! Also, don't go off her age, although her certificate says 15 years, she is still a kitten. She is the smoochiest and friendliest cat you will ever meet. She will want to cuddle you, hug you and purr all over you the moment she meets you. If you are not home, she will keep herself entertained as long as she has got a sunny spot, a good view and a scratchy post. But once you return home, Smokey will tell you how much you have been missed. She is very chatty and loves to talk to her fav hoomans. She has been known to get along with cats and dogs, but taking into consideration her incredibly lovely but needy personality, she would love to go to a quiet home where she can have all the attention to herself. Honestly, she is an absolute delight and a blessing to live with. It must be mentioned again, she loves cuddles and good pats, and shows her love with continuous motor like purrs. Smokey is looking for a strictly indoor only home to live out her retirement. Potential adopters should note that, alth...
