

Hi, my name is Homer (Hubby Of Marge)

Chilled & Low Maintenance

Male Domestic Short Hair Cat

Homer is available to adopt with his wife Marge (see Marge's ad - <https://www.petrescue.com.au/listings/809819>) as they are like an old married couple. They sometimes sleep in the same bed, sometimes they don't. Not sure that they would know how to clean each other's faces as they always do it for each other! Even though Homer is only young (about 1 year old) he is not the destructive type and loves to live the lazy cat life. Marge his wife is a bit more outgoing and will seek out human attention.
