

# Hi, my name is Marge (Wife Of Homer)

Seeks out affection :)

## Female Domestic Short Hair Cat

Homer (<https://www.petrescue.com.au/listings/809817>) and Marge Simpson are available for adoption together as they are like an old married couple. They are only young at just over one year old but they have a lovely marriage... and if you go away they will keep each other company. Marge is the more outgoing of the 2 and loves affection and cuddles. They are both politely litter trained and much loved by their foster family. The adoption fee is \$250 each which reimburses me for the vet work done including Homer's tooth removal.

Marge, if allowed to get fleas, is allergic to them so monthly flea protection and kept safely away from this critters are essential :)
