

Hi, my name is 3160 Lizzie

Looking for love

Female Domestic Short Hair Cat

Hi, I'm Lizzie. I was living with other cats on the streets for some time, then all of a sudden I found myself living inside. I'm still getting used to this inside living but I'm making progress every day. My foster mum loves it when I start playing, we have gotten into a routine - dinner, break then play time. I am still getting used to humans and learning to trust them. I will need a new family that is prepared to give me plenty of time and space to settle in and feel safe in my new surroundings. Nature Lizzie is a timid girl who is still learning to trust humans. She does like to have a play and good rub with the back scratcher. She is beginning to allow a pat or two as well. Companions (Children, Cats & Dogs) Lizzie lives with other cats and a rabbit, so she would be fine living with other cats as long as they are given a nice slow introduction. She also needs a friend to show her the way of indoor life. Likes / Dislikes She loves her sleep and loves play time. She absolutely hates the vacuum cleaner. She also doesn't yet like to be held. If you would like to...
