

# Hi, my name is Tilly \*\* Adorable Senior Girl \*\*

Affectionate & So Special

## Large Female Rottweiler Dog

Tilly is a 9 year old senior pure breed Rottweiler. She doesn't have a bad bone in her body. She has a huge heart and is so loyal. This girl hasn't had the best life, but she now needs a loving warm home to retire in and live the rest of her life out in peace. Tilly would suit an older person as she walks so well on lead, or a family. Tilly is always smiling, she is so special, so deserving of a good place to live in for the rest of her life. She is good with male dogs her size, or she would love a home of her own as an only pet. She adores people and would be your best friend. Tilly has arthritis which is managed with meds. Being a senior girl she still loves her walks and she doesn't pull on the lead. Tilly is located in Austral in Sydney. Please text merna on 0405 320 601 If you like to meet Tilly or please send us an email.
