

Hi, my name is Void Boi

Sleek panther

Male Domestic Short Hair Cat

Void Boi was a typical street boi, being a stealthy panther, getting into fights and hanging the boi's. Hes now settling down into the quiet life, he loves his christmas themed cube bed and scratches under the chin. He has the most amazing eyes. HE is a great cat who deserves a place in the sun (In doors) to live out the rest of his life in comfort (with lots of treats)

Void is quite healthy for an older boy. He is FIV positive which means he can still live a healthy life if looked after well but if his health declines this condition will stop being dormant,
