

Hi, my name is Mossie

Looking for love

Medium Female Mixed Breed Dog

Hi there! My name is Mossie. I am a 2-year-old girl with quite a petite build, I'm only about 40cm tall and 13kg. I am what some people call "a pocket rocket". I've been getting along great with my two human foster siblings who I totally adore! In fact, I love all the people who have visited me - pats are my favourite! I have lots of love to give - including snuggles and licks! I love to play ball and tug in the yard and will do ANYTHING for food. I am toilet trained, sit when asked, know my own name and come when you call me (actually I race over to you because - you know - there might be food in your hand!). I sit and wait for my dinner bowl and cue to eat - because I have impeccable table manners. I also sleep overnight very happily in my crate. I am desexed, vaccinated, microchipped. I will need colourbond fencing because I am sometimes very keen to see WHAT IS GOING ON over the otherside of the fence. I would also like to live in a quieter suburb or rural/semi rural area.
