

Hi, my name is Moose

Loveable, Chilled & Goofy

Male Manx Cat

Meet Mr Moose the gentle giant. He's a very cuddly boy who will come over and either lay on you or right beside you to get all the attention, he even loves belly rubs! Moose is a super chilled out cat who will just laze around the house basking in the cat life. This guy prefers there to be no children or other felines around as he likes the quiet life, just you and him. Moose is a big lovable goof who will warm your heart and never fail to make you smile. If you're after a gentle and affection kitty to join your family and leave a pawprint on your heart, Moose is your special boy! He's currently searching for his furever home, will you be his special human?
