

Hi, my name is Willis

!!Class Clown!!

Large Male American Bulldog Dog

Come and Meet Sensational Superstar Willis!!! Willis is one of a kind. He is a genuine goofball who will delight you no end. At only 9-10 months of age Willis is still such a puppy. He was surrendered due to his owners being unable to care for him due to covid- but there was a catch. Willis HATES the ticking of solenoids. If you have a beautifully manicured garden with lots of retic - Willis is is not your guy. The ticking sound of buried solenoid valves drives Willis crazy and he WILL dig them up. So that's probably the worst of our adorable Willis. Since he has been in care he has been nothing short of a treasure. if you have a robust environment that can handle a dog like Willis - make a time to meet him!
