

Hi, my name is Phoebe

I knead to need you!

Female Tonkinese Cat

So I've got a story to tell and if you have the time to let me tell you, it may take me a few years. But we'll have time right? Phoebe is an outgoing girl, who, will use you as her favourite kneading human. She will also chew your ear off as she has to inform you about her day, and ask you about yours. Although it's COVID19, I mean let's face it cats will never understand the concept of personal space, Phoebe will attend to you and ensure you are not alone. She's a very pretty girl, but she'd like to remind you that beauty is only skin deep and it's what's on the inside that counts. If you count to a thousand it wouldn't be enough to show you how beautiful she really is. Ideally Phoebe would like to be the only cat so she can pamper you with all her love and she can take everything you have to give her. So if you've got the time to sit and be kneaded and needed - Phoebe will be the perfect companion for you. (Phoebe is a pure tonkinese however no papers are provided and the breeder name will not be provided due to privacy)
