

Hi, my name is Turbo

Beautiful blue eyes

Large Male Catahoula x British Bulldog Mix Dog

This big beautiful sweetheart will melt your heart with his bright blue eyes and his sweet little head tilt when he is trying to understand what you're saying to him. Great with dogs , untested with cats this boy will most be suited to a family with older kids only because he doesn't realise his size at all. Turbo is very affectionate, wants to be everywhere that is favorite human is, but watch out for your toes as he has a habit of standing on your feet, that's how close he likes to be! Currently located at Innes Park , this big beautiful Bulldog x catahoula will be a delight to any household who love big sloppy kisses without warning , no room on their bed and a big furry friend by their side always. Turbo is good with basic commands but is so eager to please, teaching him more wouldn't be hard to do If you would like to meet this big beautiful boy please fill out the application below. □We aim to match pets with the lifestyle and household of the adopter. To start this process please complete an application and then send us a message to be considered....
