

Hi, my name is Jojo

Sweet and soulful

Large Female Greyhound Dog

Hi there, I'm Jojo! I'm a total sweetheart who is sure to steal your heart with my gentle ways and beautiful soulful eyes. I came to Greyhound Rescue as a timid girl but I'm blossoming every day in my wonderful foster home. I'm an absolute pro at creature comforts and love spending my days snuggled up in the warmest spots in the house! When I'm not snoozing the day away, I love a good zoomie in the backyard and will keep you so entertained with my playful outbursts. I was sharing my foster home with a fellow foster greyhound for a while and we got along greyt, so I'd be happy to share my forever home with another houndie friend if there's one in your life already - but I'm happy to be a solo hound too!
