

# Hi, my name is Wilson (Gone To Rescue)

## Looking for love

### Male Rooster

Hi my name is Wilson! Here's a little more about me. My favourite food: Poultry feed My favourite place: On top of my coop Personality: I am a vociferous young man who loves to boss my human shelter friends around! Some of my favourite things to do include, standing on top of my hut, grooming myself, taking in the sunshine and having a chat! Accolades: Professional groomer and expert communicator Best Feature: My gorgeous feathers My forever home: As I am still getting to know humans, I can be a little bossy and protective when you come into my space, so I am looking for my forever home on a property that is far and wide. I enjoy having my own space where I can safely people watch from. Please check your Council if a permit is required to keep a Rooster. If residing in the Mornington Peninsula Shire area: You must: • Have a large property outside the residential zone (farm/rural land) Far enough so you neighbours are not affected by the Rooster noise • No objections from your neighbours • Please apply for a local laws permit prior to adopting Wilson ...
