

# Hi, my name is Dani Dingo

## Loving and Cheeky

### Medium Female Dingo Dog

Dani (of the Kelly gang!) is great with most people, friendly and sweet and would suit a household with or without kids (over 5 years old). Dani will be around 18-20kg fully grown and would love a home with a doggy or dingo friend of a similar size or bigger. Dani is fantastic with other dogs and loves to play. Dani is an energetic pup and would love an active family who like bushwalks and the outdoors. She can be timid in very noisy or crowded environments like markets or cafes, but loves to go to the park or the beach. Dani is smart and food motivated, she knows how to sit and wait for her dinner and walks well on leash and is good in the car. Dani loves to swim and paddle and splash in water at the river or the beach. She also enjoys kongs and other puzzle toys! Like most dingoes Dani is a very quiet pup and does not bark. Being a dingo Dani is not suitable to be let off leash in unfenced areas as she will not come back. Dingoes should be kept on leash outside your yard. Like all dingoes, Dani has a high prey drive and is not suitable to with cats, pocke...
