

Hi, my name is Ned Dingo

Great with other dogs!

Medium Male Dingo Mix Dog

Ned (Ned Kelly that is!) is great with people, friendly and adventurous and would suit a household with or without kids (5+). Ned loves other dogs and will be around 18-20kg fully grown and would love a home with a doggy or dingo friend of a similar size or bigger. Ned is very food motivated and incredibly smart. He knows how to sit and wait for his dinner and walks well on leash. Like many dingoes Ned does not bark and is a very quiet boy. Ned is an energetic pup and would love an active family who like bushwalks and the outdoors. Ned walks well on leash and is generally good in the car- but prefers to ride in a dog crate for long trips. Ned can be a bit timid in busy or loud environments like car parks, markets, or cafes. He would prefer long quiet walks at the beach or the park. Being a dingo Ned is not suitable to be let off leash in unfenced areas as he will not come back. Dingoes should be kept on leash outside your yard. Like all dingoes, Ned has a high prey drive and is not suitable to with cats, pocket pets or birds. Ned can not live in an apartment. ...
