

# Hi, my name is Tiara (Tara)

## Looking for love

### Female Thoroughbred Mix Horse

My name is Tiara. I am a thoroughbred lass who is looking for a forever home. I'm an attractive lady who stands at 15-16hh and adores the company of horses, humans, pretty much everyone. I'll even run to greet you when I see you. I adore being fussed over...being brushed, being washed, whatever as long as I feel I'm being worshipped and adored! I'm very well behaved and promise to be an amazing companion. I'm not rideable due to a previous injury and require a small amount of monthly medication but it's nothing too serious. My aim in life is to simply be loved and cared for so if an equine friend is what you seek and you're happy for me to be the centre of your attention perhaps we are a match made in heaven. Horses are special animals that need shelter, fencing, space and plenty of feed. I came to the RSPCA as I wasn't receiving the care I deserved. To ensure my needs can be met by by new owner an RSPCA member will visit your property to make sure it is the best place for me to live. I promise I'm worth the extra little wait time. To meet me please email adoptfr...
