

Hi, my name is 2720 Colby

Looking for love

Male Domestic Short Hair Cat

☐☐ MEET COLBY ☐☐ Hi, I'm Colby, I'm a hunter (of ping pong balls) and I love when my foster mum plays with me. I have a loud purr and love to be rubbed on the forehead and will put my face in your hand to make sure you don't stop. I'm still a little timid with sudden movements but I'll do almost anything for my favourite treat including sitting on your lap or next to you - I like to rub against my foster mum's legs and meow when I feel she isn't taking enough notice of me. When she isn't home I hang out in the front window and watch the world go by and sometimes I sleep in her cupboard (I didn't think she knew that!). My fur sister is still not sure if she likes me but I think she is awesome and I want to hang with her. If my new home had a fur sister or brother for me to play with that would be the best. I could be in a home by myself too, as long as you hoomans are prepared to give me lots of loving! I haven't met any dogs or young children yet but to be honest I would probably prefer a nice quiet home where they aren't going to distract my new mum or dad from giving...
