

Hi, my name is Bella (Located In Hawthorn)

Female Domestic Short Hair Cat

My name is Bella, and as my name suggests I'm a real beauty. Gorgeous green eyes and a lovely shiny coat. I'm also a very tidy and clean indoor cat. My foster mom says I never spill any crumbs outside my bowl and I'm very serious about my grooming. I would love to find my forever home soon. I'm still not sure what I like. I'm slowly learning to trust my humans. I like my own space and not a fan of loud noises. I don't like to be carried or touched for too long. It took me a while to get used to the noisy house and my human siblings running around. I'm now comfortable hanging out in the living room and watching my siblings play. I even sit next to them on the couch and have my daily naps. I don't play with them much so will probably prefer a home with adults because kids may not find me too entertaining. I enjoy running around after a ball and chasing some string but not for too long. Full disclosure, I don't always like to be touched so if I suddenly bite or scratch you (nothing too harmful) please don't be mad. I'm still getting used to this new life. Don't get the wrong id...
