

Hi, my name is Hope

Looking for love

Female Domestic Short Hair Mix Cat

Hey there, I'm Hope! I'm hopeful that my new home will be amazing - although, me and a dog in the same room? The thought of that terrifies me, please no furry room mates for me! I can be a little shy with initial greets; we may have to take things slowly at first, just until I know you, but after that we can become the best of friends. We can hang out on the sofa watching TV or I can keep you company while you read the paper. Strokes, pats and chin rubs are all I need to keep me happy. If you think I might be the one for you, then please fill out an adoption application today! <https://rspcaqld.org.au/expression-of-interest-to-adopt> My adoption fee includes me, my desexing, microchip and health check and makes sure I'm up to date with vaccinations, worming and flea treatments!
