

Hi, my name is Petunia

Looking for love

Female Mouse Mix Rodent

Hi Petunia Here... I didn't have the best of homes previously but now I am ready for a great new home, could that be with you? I am a young Mouse, who needs friends, so would love to be adopted with some of my siblings. I am used to being handled, but do need some patient and gentle hands as I am so small... I have had recent worm/mite treatments, and will need to be housed with Females only. If you are keen to adopt me, bring a photo of my new home along with you when you come to adopt. I am currently in foster care, please call staff on 49441726 to ask to meet me
