

Hi, my name is Chops

Amazing Young Boy

Medium Male Bullmastiff Mix Dog

~ Meet Chops~ Chops is amazing. He is a happy 24/7, smart and extremely handsome young man. This chunky boy just loves to please. He loves spending time with you and at his happiest keeping you company as you go about your day. Chops is treat driven and gets so excited when you produce a ball. He will play fetch with you for as long as you are willing to throw a ball for him. Chops is an all-round delightful boy who has no concept of his size and strength. He thinks he is a lap dog!! Therefore Chops would be best suited to a family with older children. He will need guidance to help curb his excitement when meeting new people and also for pulling on the lead while out walking. Chops is enthusiastic to meet new canine friends and has shown nice manners towards them. Chops has shown some interest when meeting our SoCares cats. At this stage a home without them would be advised. Being an adventurous young man, Chops will need an experienced new owner who will take the time to keep him occupied with games, play and walks. He loves people and will only thrive in a welcoming...
