

# Hi, my name is Bessie

## Looking for love

### Female Domestic Short Hair Cat

Bessie is a lovely black and white girl, who started out as a shyer cat, but she now likes to take advantage of the benefits of being less shy! She knows the hours that visitors come to her foster home, and she waits nearby for them to arrive and take a seat. She then makes it known that she would like to be patted ☐ Bessie would probably still be best suited to a quieter home, where she can be the centre of attention! Her adoption fee of \$150 includes her desexing, microchip, and vaccinations, flea and worm treatments up until the date of her adoption. If you are interested in Bessie, please contact us
