

# Hi, my name is Smooch

## Looking for love

### Female Domestic Short Hair Cat

Smooch, is an independent 2 year old female who was surrendered to us as her owner has gone into a nursing home. Smooch is a striking Tabby Tortie who isn't a huge fan of being fussed over, she will come to you on her own terms and will give you lots of purrs and affection, but once she has had enough she tells you by having a bit of a talk to you and walking away. She loves to play in water and is quite an active girl who loves to run around and play, she is young, energetic, very affectionate and loving but likes all 4 feet on the ground, she does jump on your lap and would be happy to stay there with you for as long as possible. Smooch is looking for a home without other animals or children for a more quiet transition into her new home. Smooch is available at our Longford Adoption Centre
