

Hi, my name is Frederick

Looking for love

Male Domestic Short Hair Mix Cat

Hello everybody my name is Frederick, I am a handsome boy that has a quiet personality and would make myself at home with a nice calm household where I can settle into at my own pace. I like to spend my days curled up on the window watching the days go by. I will need to be the only pet at home as I do like all the attention on myself. I will need to be an inside only cat to keep me safe and happy. I am also litter trained as well. My adoption fee includes me, my desexing, microchip and health check and I'm up to date with vaccinations, worming and flea treatments!
