

Hi, my name is Tallin

Looking for love

Male Domestic Medium Hair Mix Cat

Hey there, Tallin here, a rather extraordinary black and white kitty. I need to find my new home with another social kitty companion! If you don't have a social cat at home we can suggest a purrfect friend for me from the shelter! I'm a lovely quiet boy who loves gentle strokes and attention, I'm pretty new to this play thing but I'm finding it so much fun. I will need someone who's had experience with cats and can help me gain some confidence... please start my world small when you bring me home and set me up with everything I need in a small room before slowly introducing me to the rest of your house as big new spaces can be scary. p.s I love the dine paste offer me this and I'll be your best friend for life...

Unfortunately I will need to go to a home without young children as they can be a bit overwhelming for me. If you think I might be the perfect fit for your family, please fill out an adoption application today! <https://www.rspcaql.org.au/expression-of-interest-to-adopt>
