

Hi, my name is Jana

Looking for love

Female Rabbit Unspecified Rabbit

Hello, our names are Jana and Joyce and we are the very best of friends who are looking for their forever home! We can be a little bit shy when first meeting new people so it is best to take things slow with us with gentle pats and a bit of space until we get to know you. We are still young so don't be fooled by our size we are going to grow up big and strong and require lots of room to run around and exercise. To adopt a rabbit, we require an indoor enclosure set up and ready to go when you apply. You will be asked to provide photos of your set up if your application is successful. My microchip number is- 956000012162900.
