

Hi, my name is Gunter

Regal and sweet natured

Male Domestic Short Hair Cat

Gunter's name is of Germanic origin meaning "battle warrior". Although, I suspect he is a lover not a fighter. His delightful personality has certainly shone through. He snoozes in the chair and regally surveys his kingdom whether it be other felines or canines they seem to respect his presence. He certainly is a very loving cat. Gunter will make a wonderful companion for a couple, single or a family. Whilst he is between two and three years young, Gunter is passed all the kitten shenanigans and in brilliant health.
