

Hi, my name is Winifred

Looking for love

Female Domestic Short Hair Mix Cat

Sweet Winifred here looking for a new home with my best friend Ben. I am a gentle girl who will need extra time and patience until I feel settled in my new home. New surroundings and loud noises are all a bit overwhelming for me, which is why I'd like Ben my big soul mate to come home with me because we just love hanging out together. We are looking for a home without young children or dogs because they can be too unpredictable and a bit scary for us.

If you have time and patience to help us settle we can all become the best of friends. We can all enjoy strokes pats and chin rubs, we may even decide to jump onto your lap! If you think we might be the perfect fit for your family, please fill out an adoption application today! <https://www.rspcaqld.org.au/expression-of-interest-to-adopt> Adoption Price \$250 for both of us!
