FOSTER CARER REQUIRED PLEASE IMPORTANT NOTICE PLEASE READ CAREFULLY BEFORE APPLYING FOR A DOG We are very concerned about the health of our volunteers and their families. To protect them, we require you to read the following and answer honestly before any meet and greets can be organised. IF YOU HAVE SYMPTOMS Any of these symptoms, or any family member displaying, we ask you to wait before applying for a dog - * Coughing or sneezing * runny or blocked nose * shortness of breath * high temperature or fever * sore throat * aches or pains * other flu like symptoms If you have returned from overseas or been on a cruise anywhere in the world, please do not apply within 2 weeks of your return to Australia. If you are in self isolation, please do not apply, you need to stay at home.
