

# Hi, my name is Remy

## Looking for love

### Male Rat Mix Rodent

Hello there its Finn, Remy and Ted here, We are brothers and need to find a new home all three of us together... the trio! Pleas give the staff a call if you feel we are right for you and the family on 54491371 there is a bit too owning us so we will need you to do some solid research please. The manager just thinks we are the best... happy social and really snuggly. You will need to show us a picture of our new home and being that there is a trio it will need to be a good size with lots of fun areas for us to explore. A photo will be fine. Our adoption fee is \$100 and we come with all the help and 2 weeks health cover. We have recently changed our adoption process so if you think we would be best of friends and would like to adopt me, please fill out the apply to adopt form on the RSPCA website and the adoption team will get back to you in just a while. <https://www.rspcaqld.org.au/apply-to-adopt>
