Looking for love

Small Female French Bulldog Dog

Hi I'm Gara, I am a gorgeous 4 year and 9 month old French Bulldog My foster family have said that I'm an awesome cuddle buddy who is happy to chill when it's quiet time and I love to play when it's play time! I do prefer to have company with either my foster humans or foster fur sister. They have called me their little shadow once or twice. My dream home would be with someone who either works from home or doesn't work and is a home body. I am still working on being a big girl when new people arrive as I do get nervous but as long as people don't rush me and let me get used them I'm all good. My foster sister who is a big breed and I have a love and then a sometimes strained relationship - I forget that I am not the boss of the house and once in a while want to be. My foster sister usually just tries to sit on me when I start to muck up and ignores me. My foster dad says while I am cute and cuddly I can also be a bit bossy. I have just had some surgery (man was that good) it has helped me with my breathing and my snoring - my dad says it's no longer soun...
