

# Hi, my name is Bronson

## Looking for love

### Male Domestic Short Hair Mix Cat

Hello guys my name is Bronson and I am a really smoochy boy that loves affection. I would love to join a family and be included in movie nights. I am also playful at times so please have some toys on standby for me. I do like all the attention on myself so I would be best suited as the only pet you have. I will need to be inside so I am safe and happy and I am also litter trained as well. My adoption fee includes me, my desexing, microchip and health check and makes sure I'm up to date with vaccinations, worming and flea treatments!
