

Hi, my name is Bob Buttons

Looking for love

Male Domestic Short Hair Mix Cat

I am a sweet man who came from a property that had a few too many cats! I was adopted last year but sadly went missing and my owners were never able to find me. I have been found but unfortunately I am unable to return back to their place. I need a home that is quiet and with someone who understands my personality. I am still very timid in my foster home and am usually only active when everyone is asleep. My foster carer says I'm progressing slowly but will need a lot of time and patience. I'm happy to accept food by hand and enjoy a good head scratch. I need a home where I can minimize my exposure to the sun so a sheltered cat enclosure would be ideal. It would also help to ensure that I don't wander off and get lost again! I have lived with cats before so should be able to do so again after a slow and careful introduction.
