## Looking for love

### Large Male American Bulldog x Shar-Pei Dog

King is a 3.5 year old American Bulldog x Shar Pei, he's presently fostered just north of Melbourne. King needs a home without existing pets or kids. He likes a nice quiet home in the suburbs with a decent backyard rather than somewhere inner city. Adopters who have had previous experience with larger breeds is preferable. King is all white and will need to be kept out of the sun during summer. King also needs an adopter who is confident with dogs and will help King be consistent about what is and isn't ok behaviour. Please get in contact if you're interested to know more about King
