

Hi, my name is 3394 Flower

Looking for love

Female Domestic Short Hair Cat

~* FOSTER VIEW TO ADOPT*~ ☐☐ MEET FLOWER ☐☐ Flower is a strikingly beautiful young girl who somehow found herself lost on the streets and then luckily found her way into the care of Perth Rescue Angels. Flower is a quiet, but curious girl who has been coming out of her shell slowly. Once you have won her over you will discover her beautiful and gentle nature. Flower loves a good pat session and will let you know what she wants as she affectionately intertwines herself around you and flops on her side ready to receive all the attention! Flower absolutely loves other cats and would do much better in a home with another resident cat that she can bond with. She is also quite playful and can be heard in the night playing with all her toys! Due to her initial shy nature, she would be best suited to a quiet home with older/teenage children as she can be easily spooked. She has not met the dogs in her foster home but may do ok with a calm dog with slow introductions. With her beautiful white coat, Flower will need to be an indoor-only kitty due to the extra risks associated...
