

Hi, my name is Ben

Shy but Loveable Kitty!

Male Domestic Short Hair Cat

Oh sweet Ben. This guy has had a traumatizing past being abandoned by his previous owners, but with the love from his wonderful carer, he has turned over a new leaf and is super relaxed and living happily with all his other foster friends! He may be a little shy in new environments, but with a little TLC, the walls will come down and you'll see just how much of a beautiful, affectionate and loving fellow he is. Ben has a heart of gold and is hoping to find that special human who will love him and never let him go. If you're looking for a furever furbaby to love and become your best friend, take a chance on Ben! He's currently searching for his furever home, will you be his special human?
