

Hi, my name is Koda

Playful

Medium Female American Bulldog Mix Dog

Koda came back to us after 9mths or so .. She never did like change but her family moved into a new home and it just seemed to be too much for her. , she became overwhelmed by everything and with a baby due,, the family felt they just didn't have the tools to be able to work with her. She even went to training but she just shut down So she is back with us and after a month or more she is going great and feel she is ready for a home where the new family has the experience and knowledge to work with her. Once she settled in to foster she has been a great dog and fun to have around. Koda has been good with all the dogs in foster although a little nervous when she first meets a new one. Koda can be quite playful as she is still a puppy and does the zoomies around the yard She is crate trained and house trained, a bit nervous in the car , loves her walks but is very attentive. Her previous owners said she was good around kids but not sure about cats. Only if you think you can give Koda what she needs please contact wodonga dog rescue.. She will need a quiet stabl...
