

# Hi, my name is Juliet

... beautiful young lady

## Female Domestic Short Hair Cat

Hi there, my name is Juliet, I came into the rescue from a pound where I faced an uncertain future but my foster mum says I've come a long way, just a little shy when meeting new people. I am scared of loud noises so would suit a quieter household with humans that understand that I need time to come out of my shell. A little hidey hole would help with this and allow me to adapt quickly. I enjoy pats from my foster mumma along with interaction with my fur foster siblings even the cranky ones. I am a petite little tabby girl with gold highlights who loves her toys. I am well mannered kitty, I don't scratch the furniture or jump on the table. I am not vocal at all, I don't meow and I wait patiently for my food (not fussy with this) and I am great with using my litter too. Looking forward to meeting you ☺ (Please note: all our cats/kittens are adopted as inside only) BIN 0000510317158
