

Hi, my name is Charlotte

Looking for love

Large Female American Bulldog Dog

Charlotte is a beautiful 3 year old American Bulldog. She is a real sweetheart, Charlotte has so much love to give and ready to find her forever loving home. Even though Charlotte is a bit overweight she loves a nice slow walk at the park. She doesn't know how to react when seeing another dog so she pulls a little when she sees a dog on our walks. Otherwise she walks alright by herself, Charlotte is on will a special diet so she can get her summer body ready lol. Charlotte is such a wonderful girl and a great companion, she loves cuddles on the couch and on the bed at night time. Charlotte would be best suited to be an only dog as she doesnt know how to react around other dogs. No cats either please. Charlotte is presently fostered in Melbourne and is available for adoption locally. Please contact us to find out more about Charlotte.

Charlotte needs to be on a strict diet to ensure she losing some pounds and then maintains a healthy weight.
