Shiloh is a small Staffy with sensational colours. She is a quiet, cuddly little girl with a lovely personality. She is friendly with people and responds well to food treats. Shiloh would suit being an only pet as she does not seem to like other female dogs, although she is good with male dogs, and with supervision can be trusted with cats. Shiloh likes nothing better than lying on the couch cuddling and prefers sleeping on the floor beside your bed than being outside. Shiloh enjoys long walks. She is fantastic on the lead as she does not pull or strain. Shiloh is toilet trained and is good at sitting. She also understands being asked to go into her crate and is beginning to understand when we say 'outside'. She is smart and wants to learn. Shiloh will be a beautiful forever dog.
