

Hi, my name is Willow Dg20 398

AVAILABLE NOW

Medium Female Staffordshire Bull Terrier Mix Dog

Willow is just gorgeous. She's a snuggly smoocher who is in need of a little TLC to get her back into tip top shape after her motherly duties. Willow suffers from quite bad separation anxiety and may take a while to settle in to a new home. She needs high secure fencing and someone that is home a lot (not a full time, long hours worker)

Willow will be desexed, vaccinated with a C3 Vaccination and must be registered before going to their new home (PLEASE NOTE: 'lifetime' microchip registration only applies to pets adopted within Alice Springs other states may still have annual fees payable) **ALL animals over 6 months of age MUST be registered before leaving the shelter ***New owners have the option of either annual registration \$49.40 per year or a once off fee of \$131.30 for lifetime microchip registration, we HIGHLY recommend choosing the microchip option as it is a guaranteed identification for your pet and cannot be removed or lost as with an annual registration tag
