

Hi, my name is Grace O'malley

Lovely Natured Girl

Female Domestic Long Hair Cat

*Please note that Grace needs the company of another feline, please do not apply if you do not have another suitable cat Meet the lovely Grace O'Malley. Grace came into care as a young, pregnant Mum, having had a hard time of it and missing an eye. In foster care, she gave birth to six wonderful kittens and has been a wonderful Mum. Attentive to her kittens needs and teaching them to groom and toilet themselves. Grace loves to rub herself around your legs and have a pat over her lovely long hair and has patiently put up with love and attention from the foster carers two sons who she allows to carry her about. She will occasionally curl up with you for a cuddle, though she is usually just as happy on her own side of the couch. Grace loves food and will let you know if you've missed dinner time with a yowl asking you to open a tin. Grace is easy to get along with and would equally suit a home where she is the only cat as well as a house where she had a companion cat.
