Looking for love

Female Domestic Medium Hair Mix Cat

Hi There, I am a beauty but you will need to give me a little time to get to know you, as I can be quiet to start out. I am used to living with my other kitten friends, so having another confident cat at home may help me settle in. If you want to meet me ask staff to introduce you, as if you give me some time you will see the real me. My adoption fee includes me, my desexing, microchip and health check and makes sure I'm up to date with vaccinations, worming and flea treatments!
