

# Hi, my name is Mulan

## Black Magic

### Female Domestic Short Hair Cat

As a Disney princess and natural warrior Mulan is the perfect kitten combination. She is brave and adventurous, always ready to pounce and play with her two big foster brothers at a moments notice. But, while she might have you fooled at first with her bouncy exterior, you'll quickly notice Mulan is also a giant sweet heart happy to fall asleep by your side purring like a truck. A resilient, strong, and cuddly little lady Mulan will capture your heart in a moments notice and would be the perfect addition to a home where her family had plenty of time to spend with her, or she had other cats or kitten siblings.
