

Hi, my name is Felicity

Playful and Energetic

Female Domestic Short Hair Cat

This darling 1-year old girl came from a colony of country cats in rural NSW. She was a bit timid initially but has adapted to the comforts of domestic life very quickly. Her favourite place to sleep is on her foster carer's bed. She also likes boxes and getting into cupboards. Felicity is very athletic and energetic and likes to play, as well as jumping up onto tables and benchtops. Felicity would love to be able to go outside, but as she is FIV positive as well as being preoccupied with hunting, she ideally needs a home inside with an enclosed outside area for her to enjoy going out in the open air. She would also do well going out for walks on a lead. Felicity's FIV status does not require medication and she will still live a long, healthy life. It just makes her all the more precious to us, and when her right owner comes along, they will feel the same way. Felicity has been living with a 30 kg dog whom she has learned to like, but is still not completely confident around. A smaller and calmer dog would be better for her, but she has adapted well. She has also been ...
