

Hi, my name is Billy Buttons

Super Easy Going

Male Domestic Long Hair Cat

Only \$50 adoption donation. Billy is a very easy kitty but he's not a fan of other cats. He isn't scared of dogs but will swipe them if they get in his space. Billy was adopted from AWL and then when his owner moved they decided not to take him with them. His owners friend took him in but her accommodation became unsuitable and she reached out for help. Billy currently lives with an animal conscious toddler but we would prefer he didn't go to a home with kids younger than 10 years. He is a BIG kitty and gets in playful moods and can swipe you when you walk past when he's in cheeky moods. He LOVES being petted on his head, is very loving and can be picked up easily. He doesn't like to be touched on the belly and can mouth you if you try (hence the preference for older children). Presently Billy is no issue, he comes and goes as he pleases even though we fiercely prefer indoor only homes, Billy has had 7 years of being allowed outside so he would need a home not on a main road and to be brought in at night. He isn't a fussy eater either.
