

# Hi, my name is Monte

## Chilled out guy

### Male Domestic Short Hair Cat

Monte is a quiet, cheeky boy who loves food first and foremost. He also likes to taunt the other cats into playing with him (his favourite game is tag, up and down the stairs). Don't let his pretend sad face fool you though, he knows he is cute as a button and loves to sleep on the legs of all unsuspecting humans. He enjoys the company of other cats, especially his big brother Leroy, and not much bothers him; he is a very curious and inquisitive kitty. Approx 8 months old, all vetwork done, Griffin 4503

All vet work will be completed before adoption.
